Doubleheader Blind Draw Qualifying Event!

The Knights of Columbus Hall is welcoming the Ohio Cornhole Tour to Cleveland. This is a doubleheader qualifying event with two qualifying tournaments being played on the same day at the same location. Players will have the option to compete in one OR two blind draw tournaments with the winners of each tournament qualifying for the Ohio Cornhole Tour Championships! This is also a fundraiser for the new Cleveland Cornhole leagues starting at the Hall in March, but will still be a 70% payout.

Cornhole Tournament Information:

Time

- Doors open at 6pm with registration closing for the first tournament at 6:45pm. The second tournament will begin immediately following the first.

Blind Draw (3 Game Guarantee)

- Each player that enters either tournament will be randomly paired with another player that enters. The format will be double elimination, single games, three games guaranteed.
- Any teams losing their first two games will be put into a Consolation bracket with the winner winning one free beer/drink per player

Entry Fee

- The entry fee will be \$10/person to enter

Prizes

- Top teams will share in 70% of the entry fees (with an additional 10% going into the Championship Prize pot). 20% will go into the Knight of Columbus cornhole equipment fund. Exact payouts are based on number of teams entered.
- Winning team will also qualify for the Ohio Cornhole Tour Championships
*Note – winning team qualifies if at least 7 teams enter the tournament. If 16 or more teams enter then the top 2 teams will qualify.

The Ohio Cornhole Tour Money Shot:

As long as at least 7 teams enter, we will hold the Ohio Cornhole Tour money shot during each tournament. Players will have the option of buying raffle tickets to see who gets to step up and pitch four bags. Whoever has the winning ticket will attempt to make all four bags (with no warm-ups) to win the pot! Make all four bags and you win the entire pot! Make three and you get 25%, make two and you get 10% and make just one and you get 5%. Exact amount of the money pot is based on how many tickets are sold and what the pot was prior to the event. To see the current value of the money pot you can go to www.ohiocornholetour.com

Weather - Since this tournament is in March, there is always the chance of bad weather. Should we have to cancel the event due to bad weather we will update the website www.ohiocornholetour.com
